We are pleased to announce the go-live of the new [Palmetto Skin and Laser Center](#) website!

This is a very visually rich website featuring our

[premium design services](#)

. With over 100 published articles this site is also very content rich featuring a dynamic menu system designed to allow a pathway for the visitor to easily locate and view their desired information. This site also includes a testimonials component allowing the visitor to submit their experience for others to view, a dynamic appointment form which enables the visitor to instantly request an appointment, or sign up for the newsletter without leaving their current page.

In addition to the premium design and functionality, this site utilizes the Joomla! CMS framework. This allows the web site owner to easily navigate and update content on their own site with the use of a web based administration panel.

Again...welcome Palmetto Skin and Laser Center!
